Boss Lady

If you have a condition where your blood does not clot easily, or if you are taking medications to prevent your blood from clotting, discuss with your doctor how this medication may affect your medical condition, how your medical condition may affect the dosing and effectiveness of this medication, and whether any special monitoring is needed. And to those leave campaigners who now sit in the British cabinet or on the benches opposite - there is still one of them there, I can see - you won.

The darkening of the light

I am convinced that you have fully succeeded and I maintain that no other people need to intervene.
