Linger your patience on; and we'll digest The abuse of distance; force a play: The sum is paid; the traitors are agreed; The king is set from London; and the scene Is now transported, gentles, to Southampton; There is the playhouse now, there must you sit: And thence to France shall we convey you safe, And bring you back, charming the narrow seas To give you gentle pass; for, if we may, We'll not offend one stomach with our play. I really liked the book; really enjoyed reading about how Sally throws herself into her tv and film roles over her life.

And as soon as he had sprinkled the statue with blood, life came back to it, and the trusty John stood again alive and well before him, and said, "Your faith shall not go unrewarded"; and taking the heads of the two children he set them on again, and anointed their wounds with their blood, and thereupon they healed again in a moment, and the children sprang away and played as if nothing had happened. Thanks

Laureen.
