January 13, am. The young Lord invoked on this occasion the celebrity's prized judgment of a special literary case; and Berridge could take the whole manner of it for one of the quaintest little acts displayed to his amused eyes, up to now, on the stage of European society-albeit these eyes were quite aware, in general, of missing everywhere no more of the human scene than possible, and of having of late been particularly awake to the large extensions of it spread before him since so he could but fondly read his fate under the omen of his prodigious hit.
