Jamaicans sure know how to make eating your greens exciting.

Sin embargo, esto es Un Libro Simple. I think what makes me angriest about this book is that it boasts to be a self-help book, and to teach people about life it is part of a 'School of Life' series - but it is really just a book that offers explanations for conventional practices and values without ever attempting to challenge. Even today, there are movements that try to promote the Ersatz substitution of foreign words deemed unnecessary with German alternatives.
